

Welcome to Gallop Enterprises

About us

We speak the language of useful innovation, bringing you products you never knew you needed.

We promise to make your life easier & fun, at home, in the office, and on the go!

Gallop Enterprises is a professional distribution company run by market experts who are very selective of the brands they represent. Gallop's philosophy revolves around practicality and simplicity. Our offices are spread out across the Middle East to help us deliver our vision to the people in region while continuously expanding and exploring new opportunities with up-and-coming brands & new market segments.

We bring the most amazing and trendy
products that fits your clients'
requirements for business gifting.

Our Brands

Stock available for immediate delivery

KACO, is a young and dynamic high-end stationary products brand, was founded in Shanghai with an international vision.

Behind KACO, there is a seasoned professional team with over a decade's experience in the upscale stationary industry in Europe. They are now dedicated to bring in the international standard with a localized approach, meanwhile, sticking with their design concept of simplicity and environmental-friendship.

Even the process of design and development of one small item of stationary products is a journey of excel. We are not only in pursuit of the meaning of handwriting, but also focus on the details that matter to high life quality.

KACO, born for excellence!
